Dear Sir,

In the Government Order No.L9306-8-Ml.40-29-12 dated 30th June 1930 sanctioning the enhancement of tolls on motor vehicles, the enhanced rate of toll on motor cycles is entered as annas 6, while the rate proposed ~~is entered~~ was as annas 8. and no objection was received from the public for the proposed rate of annas eight. As the question of enhancement of the rates was pending at the time of the auction of the toll contract the contractor has bound - himself to pay Rs.200 more per mensem above his auction bid if the proposed enhanced rates came into force. It would therefore be a great convenience if the proposed rate of 8 annas on motor cycles is approved. In these circumstances I request you to kindly let me know whether the sanctioned rate, viz., 6 annas, is a typing mistake or the reduction has been made deliberately and if the latter be the case, whether the matter could kindly be reconsidered.

Yours sincerely,

R.Ranga Rao,Esq., B.A., B.L.,
General Secretary to the Government of
His Highness the Maharaja of Mysore.
